

Kellyville Public Library

Interlibrary Loan Policy

If a patron requests an item that the library does not own, they may borrow it through Interlibrary Loan. The patron must fill out an Interlibrary Loan request and have a valid Kellyville Public Library card with no items overdue and no unpaid fines. A limit may be placed on the number of items a patron may request through Interlibrary Loan.

Charges for interlibrary loan: the patron is charged an interlibrary loan fee plus any fines or fees assessed by the owning library, including charges for lost or damaged items.
